

Limpopo Alignment

Success of alignment in Limpopo

Task Team

- 2 x Provincial officials
- 2 x PEPFAR Partners
- 1 x Non PEPFAR Partner
- PEPFAR Rep.

Task Team

- a. Mapping all partners
- b. Rationalize partners
- c. MOUs with Province
- d. Develop reporting tool to LDOH
- e. Address data flow to Province
- f. Aligning PEPFAR indicators to DHIS

Introduction of PMTCT alignment

- TT allocated Districts to 4 main partners in Limpopo n.l. FPD, AURUM, EGPAF & ANOVA.
- FPD- Vhembe district and Polokwane municipality.
- AURUM- Sekhukhune
- EGPAF- W/berg & all other sub-district in Capricorn
- ANOVA- Mopani

New alignment

- *District Partners*

| <u>Partners</u> | <u>District</u> |
|-----------------|----------------------------|
| ANOVA | Mopani- all sub districts |
| FPD | Vhembe- all |
| | Capricorn- all |
| | Sekhukhune- Makhuduthamaga |
| | - Elias Motsoaledi |
| | - Fetakgomo |
| | W/berg - Mogalakwena |
| AURUM | Tubatse & Ephriam Mogale |
| EGPAF | W/berg except mogalakwena |

Provincial Expectations on DP

- Present progress report for all district partners to provincial quarterly review meetings.(except for Provincial partners and Geographic exceptions).
- Hold quarterly meetings with all district based partners.
- Attend district management team meetings.
- Be involved in all district operational activities.
- Assist the districts with M&E.
- Assist the district with capacity building.

TIER system

- All M&E managers from DP are part of the DIT
- DPs were involved in facility assessment for Tier 1 and 2.
- Template for the assessment was designed by ANOVA and accepted by National and Provincial government.

Successes

- Open communication between District and partners.
- All TB partners get invited to present in TB quarterly meetings.
- Province has a data base of all partners in the province which is up-date on quarterly basis.
- Feed back for the District & Province is on quarterly basis.
- Communication amongst partners.
- Improved working relationship between Partners and Districts.
- Ease the tension of absorption of seconded staff.
- Meet with DP on regular basis to inform them about Provincial plans.
